YES or NO

Taking Part

1. I confirm that I have read and understand the information sheet for this project, and I have had the opportunity to ask questions. YES NO
2. I have legal parental responsibility for my baby named below. I authorise this consent form on behalf of my baby, and I agree for my baby to take part. YES NO
3. I understand that I am free to withdraw my baby from the project at any time, without giving any reason, without my baby's medical care or legal rights being affected. I understand that my child's samples and data will be kept for research unless informed otherwise. YES NO
4. I understand that some of the projects may be carried out by researchers who work outside of this establishment and possibly outside the United Kingdom, including commercial companies. YES NO
5. I understand that neither my baby nor I, will not benefit financially from any research that lead to the development of new treatments or medical tests in the future YES NO
6. I understand that DNA from the samples may be used for approved projects and as the samples are anonymised, the results of this analysis will not be available to me. YES NO

Samples

7. I agree for the following samples to be collected from my baby (*please initial YES or NO*)

Buccal swab	YES	NO
Saliva	YES	NO
Urine	YES	NO
Hair	YES	NO
Stool (meconium)	YES	NO

Data

8. I understand that my baby's clinical information may be looked at by responsible individuals from the biobank or NHS trust. I give permission for these individuals to have access to my baby's records. I understand that when biological samples and data are collected and stored for use in research projects they will be linked-anonymised. Any external researchers will receive fully anonymised data. YES NO
